

Thank you for your interest in joining the Texoma Association of Total Rewards (Texoma TR) Board of Directors. As you are aware Texoma TR is dedicated to promoting the total rewards field and the professional interests of those engaged in its practice throughout the North Texas area and beyond. We rely on our Board Members and their service.

We look to our Board Members to serve via:

- Guidance and support to the direction and goals of the organization
- Attendance and support at Texoma TR Events
- Participation in monthly Texoma TR Board Meetings (typically an hour in length)
- There is no financial obligation. We do ask the following:
  - Board Members have an active Texoma TR Membership
  - Support the organization with ideas and referrals for potential members and/or sponsors

In understanding the above commitments, we would also like to learn more about you.

**Questions:**

- How long have you been in the Compensation/HR Field?
- How long have you been active in Texoma TR?
- Why would you like to be a member of the Board?
- Does your company support your board application, and will they be supportive of your involvement on the Board?
- What do you believe you would bring to your position?

Please email your answer along with a resume to [info@texomatr.org](mailto:info@texomatr.org).

Thank you again for your interest!
